

Federal Communications Commission

§ 21.930

(2) An application for authority to operate at an MDS station in the area vacated by an MDS station incumbent that has forfeited its station license; and

(3) An application for each ITFS-channel group station license sought in accordance with §§ 74.990 and 74.991.

(c) The Commission shall grant BTA authorizations to auction winners as set forth in § 21.958.

(d) No long-form application filed by the BTA authorization holder will be accepted prior to completion of the competitive bidding process and no long-form application will be granted until expiration of the 30-day petition to deny period following the public notice listing of the application as being accepted for filing

(e) Applicants may use the electronic filing procedures to file both the Multipoint Distribution Service short-form and long-form applications with the Commission.

[60 FR 36555, July 17, 1995, as amended at 60 FR 57367, Nov. 15, 1995]

§ 21.926 Amendments to long-form applications.

(a) A Multipoint Distribution Service long-form application may be amended as a matter of right up to the date of the public notice announcing the application has been accepted for filing provided that:

(1) The proposed amendments do not amount to more than a *pro forma* change of ownership and control;

(2) The Commission has not otherwise forbidden the amendment of pending applications.

(b) Requests to amend a long-form application placed on public notice as being accepted for filing may be granted only if a written petition demonstrating good cause is submitted and properly served on the parties of record.

[60 FR 36555, July 17, 1995]

§ 21.927 Sole bidding applicants.

Where the deadline for filing MDS short-form applications has expired and a particular BTA service area has been specified in a single short-form application only, the applicant shall be

named the auction winner for that BTA authorization.

[60 FR 36555, July 17, 1995]

§ 21.928 Acceptability of short- and long-form applications.

The acceptability of short- and long-form applications will be determined according to the requirements of §§ 21.13, 21.15, 21.20, 21.21 and 21.952.

[60 FR 36555, July 17, 1995]

§ 21.929 Authorization period for station licenses.

(a)(1) A BTA authorization will be granted for a term of ten years, terminating ten years from the date of the Commission declared bidding closed in the MDS auction.

(2) A BTA authorization shall automatically terminate without further notice to the licensee upon expiration of the ten-year license term unless prior thereto an application for renewal of such license has been filed with the Commission.

(b) Notwithstanding § 21.45, each new MDS station licensed within a BTA or PSA will be granted for a term of ten years, terminating ten years from the date the Commission declared bidding closed in the MDS auction.

[60 FR 36555, July 17, 1995, as amended at 60 FR 57367, Nov. 15, 1995]

§ 21.930 Five-year build-out requirements.

(a)(1) A BTA authorization holder has a five-year build-out period, beginning on the date of the grant of the BTA authorization and terminating on the 5th year anniversary of the grant of the authorization, within which it may develop and expand MDS station operations within its service area.

(2) This period is not extended by the grant of subsequent authorizations (*i.e.*, grant of a station license or modification).

(3) Timely certifications of completion of construction for each MDS station within a BTA or partitioned service area must be filed upon completion of construction of a station.
